

Team W User Evaluation

Thank you for participating in our Team Project User Evaluation. Please fill in the below questionnaire when prompted to do so by the team member doing the evaluation.

You are asked to use this prototype in a “think-aloud” manner so we can further understand a users intuition when using this prototype. Please note that you are not being evaluated and that we are only testing the usability and accuracy of our system.

You have the right to stop this evaluation, with no requirement to give reason, at any time. No personal details are recorded and all results are kept anonymously. If you have any further thoughts or questions about any part of the user evaluation, please contact James Gallagher on 0800899g@student.gla.ac.uk .
